

SUMMARY OF REVISIONS TO ANNEX 3-03, *COUNTERLAND OPERATIONS*

Purpose: Provide summary of key changes to Annex 3-03, *Counterland Operations*

Summary of Key Changes:

- Text added to reflect implementation of National Defense Strategy emphasis on peer/near-peer competition in a contested environment as it applies to major operations against a highly mechanized ground force
- Revised structure to improve readability – deleted redundant sections and consolidated Doctrine Topic Modules (DTM)
- Removed excessive information on topics included in tactical doctrine and pointed readers to appropriate references
- DTM on Command and Organization, and Theater Air Control System rewritten to reflect current organization and elements
- Terminology, definitions, and abbreviations updated throughout
- Adjusted ‘tone’ as necessary to reflect consistency with joint doctrine
- Verified and updated all hyperlinks, references, and abbreviations
