

**SUMMARY OF REVISIONS TO
DOCTRINE ANNEX 3-05, *SPECIAL OPERATIONS***

Summary of Key Changes: 1 February 2020 – Formal Revision

- ★ Annex reflects implementation of NDS emphasis on peer/near-peer competition and special operations considerations across the competition continuum.
- ★ Adjustments were made to the Special Operations Overview DTM to better clarify special operations considerations.
- ★ Doctrine topic module (DTM) on range of military operations was rewritten to reflect the competition continuum.
- ★ DTM on command, control, and organization was rewritten to reflect current special operations organizations.
- ★ DTM on combat support was rewritten to reflect current special operations combat support areas.
- ★ Additional information on Irregular Warfare was added to the annex.
- ★ Adjusted ‘tone and tenor’ as necessary to reflect consistency with joint doctrine.
- ★ Verified and updated all hyperlinks, references, and abbreviations.
