

**SUMMARY OF REVISIONS TO DOCTRINE**  
**ANNEX 3-10, *FORCE PROTECTION***

**Summary of Key Changes:** 19 November 2019 – **Formal Revision**

- ★ Text added throughout to reflect implementation of the National Defense Strategy emphasis on peer/near-peer competition in a contested environment for force protection purposes.
- ★ Reference to counter-small unmanned aircraft systems (C-sUAS) defense added.
- ★ Vignette updated to describe lessons learned from green-on-blue attacks.
- ★ Discussion on how TACON for Force Protection affects Air Mobility Command assets transiting a geographic combatant commander's area of responsibility.
- ★ Reference to approval authority for domestic use of UAS updated.
- ★ Reference to space-based threats added at multiple locations.
- ★ Updated definitions and acronyms throughout annex.
- ★ Adjusted 'tone' as necessary.
- ★ Verified and updated all hyperlinks.
