

DOCTRINE ANNEX 3-14, *COUNTERSPACE OPERATIONS*
SUMMARY OF KEY CHANGES – 27 August 2018

- ★ Changes the title of the annex from “Space Operations” to “Counterspace Operations.”
- ★ Aligns annex around four space operations functions to clearly delineate capabilities required to successful conduct global joint operations.
- ★ Establishes continuity with Joint Publication 3-14.
- ★ Establishes a new concept called “space supremacy.”
- ★ Removes and replaces the term “space control” with “counterspace” throughout annex.
- ★ Removes and replaces the terms “offensive space control” and “defensive space control” with “offensive counterspace” and “defensive counterspace” respectively, throughout the annex.
- ★ Clarifies the definition of space coordinating authority; the term refer to the individual who holds that authority or to an authority.
- ★ Clarifies support relationships.
- ★ Updates information on planning, execution, and assessment.
- ★ Removes Appendix A, “Orbital Fundamentals” and Appendix B, “MILSATCOM Frequency Band;” incorporates relevant material into main text.
- ★ Updates terms and definitions.
